

Beach Folk Concert

**A benefit to support
Abbey Foundation**

Elderly rescue dogs may be overlooked for adoption if their veterinary needs exceed financial limitations. The Abbey Foundation exists to help finance medical care to help these dogs find loving new homes. Proceeds from this concert will be donated to "Angel Fund" at Green Lane Animal Hospital, and Mature Dog Adoptions, a registered charity dedicated to re-homing elderly dogs.

**Featuring the music of Gordon Lightfoot and other
popular songwriters—soft rock, pop, and traditional.**
